3-POLE SOFT WIRING — IN-DESK POWER

Axxess In-Desk Power & USB Module

AXXESS

Axxess brings GPO power, USB charging and data to the desk surface in one compact in-desk module. With 2 or 4 sockets and two Clipsal-compatible data tile positions, it suits workstations, meeting rooms, reception desks and hot-desking stations. An all-in-one in-desk connectivity solution for desktops, workstations and conference tables. The lid sits flush when in use, with cables exiting via the spring-release lip, and the box secures to the tabletop with a locking arm system; the locking screws are concealed with screw covers.

TECHNICAL SPECIFICATIONS

Sockets	**2 or 4 x GPO**
Data	**2 x data tile (Clipsal compatible)**
USB	**USB-A/C 30W, USB-C/C 30W or power only**
