PRODUCT CATALOGUE

Line8 Power Track

Line8 is a modular power socket system. Sockets can be added, removed and repositioned anywhere along the track, so power is exactly where it is needed – no extension boards, no cluttered benchtops.

The 1 metre surface-mount track is supplied with three Line8 Type I power sockets, in eight scratch-resistant finishes, with a Chrome Ring or Onyx Black socket and a left or right terminal. Custom lengths and recessed tracks are made to order.

KEY FEATURES

- Add, remove and reposition sockets anywhere along the track – insert, twist and switch on
- Up to 14 sockets per metre of track, with a 32A rating per track
- Triple Redundancy System: actively grounded shielding, mechanical safeguards and a lock-and-key socket design
- No power flows to a socket until it is correctly seated and switched on – orange indicator shows when live
- Scratch-resistant finish to suit residential and commercial interiors
- Optional lock mechanism for commercial sites – sockets slide but cannot be removed (custom order)
- Designed and made in Singapore, backed by a 5 year warranty

TYPICAL APPLICATIONS

Kitchens, butler's pantries and island benches	Joinery, cabinetry and furniture integration
Offices, boardrooms and meeting rooms	Hotels, airport and hospitality lounges
Aged care, medical and healthcare facilities	Schools, universities and community centres

Matte Ivory White

Type I sockets

Power Track 1m + 3 Sockets — Finishes & Part Numbers

Eight finishes, each with Chrome Ring or Onyx Black sockets and a left or right terminal.

How the part number is built: **BD-100-[finish]-[ring]-[terminal]**

Finish: BK Black · SV Silver · BZ Bronze · CG Champagne Gold · MW Matte Ivory White · AS Alpine Spruce · RC Rovasco Chestnut · TR Tipuana Rosewood | Ring: CR Chrome Ring · OB Onyx Black | Terminal: Left / Right (the end where the end terminal and power feed connect – confirm against your electrical layout)

Finish code BK

Line8 Power Track 1m + 3 Sockets, Black

Matte black, scratch-resistant

- Chrome Ring, Left Terminal `BD-100-BK-CR-Left`
- Chrome Ring, Right Terminal `BD-100-BK-CR-Right`
- Onyx Black, Left Terminal `BD-100-BK-OB-Left`
- Onyx Black, Right Terminal `BD-100-BK-OB-Right`

1m surface-mount track supplied with 3 × Type I sockets.

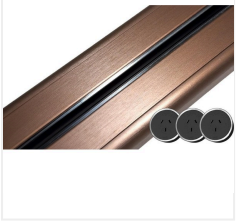

Finish code SV

Line8 Power Track 1m + 3 Sockets, Silver

Brushed silver, scratch-resistant

- Chrome Ring, Left Terminal `BD-100-SV-CR-Left`
- Chrome Ring, Right Terminal `BD-100-SV-CR-Right`
- Onyx Black, Left Terminal `BD-100-SV-OB-Left`
- Onyx Black, Right Terminal `BD-100-SV-OB-Right`

1m surface-mount track supplied with 3 × Type I sockets.

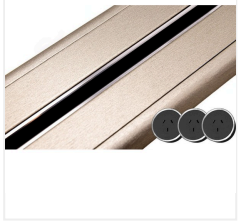

Finish code BZ

Line8 Power Track 1m + 3 Sockets, Bronze

Metallic bronze, scratch-resistant

- Chrome Ring, Left Terminal `BD-100-BZ-CR-Left`
- Chrome Ring, Right Terminal `BD-100-BZ-CR-Right`
- Onyx Black, Left Terminal `BD-100-BZ-OB-Left`
- Onyx Black, Right Terminal `BD-100-BZ-OB-Right`

1m surface-mount track supplied with 3 × Type I sockets.

Finish code CG

Line8 Power Track 1m + 3 Sockets, Champagne Gold

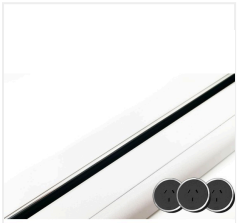

Light champagne gold, scratch-resistant

- Chrome Ring, Left Terminal `BD-100-CG-CR-Left`
- Chrome Ring, Right Terminal `BD-100-CG-CR-Right`
- Onyx Black, Left Terminal `BD-100-CG-OB-Left`
- Onyx Black, Right Terminal `BD-100-CG-OB-Right`

1m surface-mount track supplied with 3 × Type I sockets.

Power Track 1m + 3 Sockets — Finishes & Part Numbers (continued)

Eight finishes, each with Chrome Ring or Onyx Black sockets and a left or right terminal.

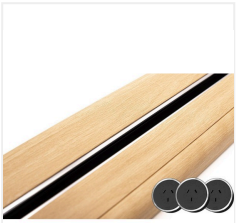

Finish code MW

Line8 Power Track 1m + 3 Sockets, Matte Ivory White

Matte ivory white, scratch-resistant

- Chrome Ring, Left Terminal `BD-100-MW-CR-Left`
- Chrome Ring, Right Terminal `BD-100-MW-CR-Right`
- Onyx Black, Left Terminal `BD-100-MW-OB-Left`
- Onyx Black, Right Terminal `BD-100-MW-OB-Right`

1m surface-mount track supplied with 3 × Type I sockets.

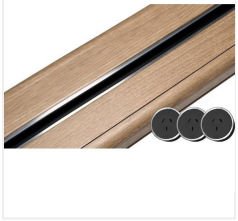

Finish code AS

Line8 Power Track 1m + 3 Sockets, Alpine Spruce

Light timber-look, scratch-resistant

- Chrome Ring, Left Terminal `BD-100-AS-CR-Left`
- Chrome Ring, Right Terminal `BD-100-AS-CR-Right`
- Onyx Black, Left Terminal `BD-100-AS-OB-Left`
- Onyx Black, Right Terminal `BD-100-AS-OB-Right`

1m surface-mount track supplied with 3 × Type I sockets.

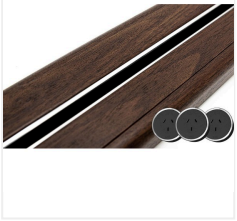

Finish code RC

Line8 Power Track 1m + 3 Sockets, Rovasco Chestnut

Medium neutral timber-look, scratch-resistant

- Chrome Ring, Left Terminal `BD-100-RC-CR-Left`
- Chrome Ring, Right Terminal `BD-100-RC-CR-Right`
- Onyx Black, Left Terminal `BD-100-RC-OB-Left`
- Onyx Black, Right Terminal `BD-100-RC-OB-Right`

1m surface-mount track supplied with 3 × Type I sockets.

Finish code TR

Line8 Power Track 1m + 3 Sockets, Tipuana Rosewood

Dark timber-look, scratch-resistant

- Chrome Ring, Left Terminal `BD-100-TR-CR-Left`
- Chrome Ring, Right Terminal `BD-100-TR-CR-Right`
- Onyx Black, Left Terminal `BD-100-TR-OB-Left`
- Onyx Black, Right Terminal `BD-100-TR-OB-Right`

1m surface-mount track supplied with 3 × Type I sockets.

LINE8 POWER TRACK — SPECIFICATIONS & SOCKETS

Technical Specifications

Line8 Power Track 1m + 3 Sockets – all finishes.

Track Length	**1000mm (1 metre)**
Supplied As	**1 × power track + 3 × Type I power sockets**
Mounting	**Surface mount – screw fix or approved adhesive (recessed available to order)**
Socket Ring Options	**Chrome Ring / Onyx Black**
Terminal Side	**Left / Right – to suit the power feed location**
Socket Capacity	**Up to 14 sockets per metre**
Current Rating	**32A per track**
Socket Type	**Australian Type I (AS/NZS 3112)**
Suitable Surfaces	**Stone, glass, joinery, tile, plaster and more**
Warranty	**5 years**
Origin	**Designed & made in Singapore**

Power Sockets Type I

Additional sockets for any Line8 track – single or pack of 3.

Line8 Power Sockets Type I, Single or 3 Pack

Line8 Type I power sockets for all Line8 power tracks. Insert, twist and pull the ring to switch on – an orange indicator shows when the socket is live. Add sockets at any time, move them along the track, or take them between rooms fitted with Line8.

- Fits anywhere along any Line8 power track – no tools required
- Lock-and-key contacts – only a genuine Line8 socket can engage the track
- Typical installations use 6–9 sockets per track

Socket Type	**Australian Type I (AS/NZS 3112)**
Compatibility	**All Line8 power tracks – surface and recessed, all finishes**
Switching	**Push-pull ring switch with orange on indicator**
Pack Options	**Single socket / Pack of 3**
Pack of 3 – Chrome Ring	**BD-AUN1-CR**
Pack of 3 – Onyx Black	**BD-AUN1-OB**
Single – Chrome Ring	**AUN-1-CR**
Single – Onyx Black	**AUN-1-OB**

Custom & Recessed Power Track

Made to order – quoted to your layout.

Line8 Custom & Recessed Power Track, Made to Order

Line8 power tracks made to suit your project: recessed or surface mounting, custom track lengths, any of the eight Line8 finishes, socket quantities, a commercial lock mechanism and integrated multimedia modules. Send us your layout and requirements and our team will prepare a quotation.

Mounting	**Recess mount (flush) or surface mount**
Track Lengths	**Made to order**
Lock Option	**Sockets slide along the track but cannot be removed**
Multimedia Modules	**Feed-through HDMI, Cat6 data, USB and coaxial connections**
