FLOOR & TABLE GROMMETS — FLOOR GROMMETS

Floor Grommet 127mm, Grey

FG127-G

Cableduct's Floor Grommet 127mm (Grey) is a recessed cable pass-through grommet designed for a clean, concealed cable exit point through timber, chipboard or concrete flooring, keeping power and data cables tidy where they rise from underfloor to floor level.

TECHNICAL SPECIFICATIONS

Part Number	**FG127-G**
Type	**Recessed Floor Cable Grommet**
Material	**Durable ABS/PC plastic**
Colour	**Grey**
Cut-Out Size	**127mm**
Brand	**Cableduct**
