FLOOR BOXES — ABOVE GROUND FLOOR BOXES

AFB-20 Above Ground Floor Box Black Ripple (Blank)

AFB20-BR

The AFB20-BR is an above-ground floor box with a Black Ripple powder-coated cover providing 2 x Standard Series power/data/AV outlet provisions. The steel body is manufactured from Galvanised Steel with a cover of Stainless Steel or Aluminium (powder coated). Suitable for floor and bench mounting applications. Dimensions: 127 × 110 × 110mm. Not IP rated — suitable for dry, indoor environments only. Outlets not included — accepts standard series inserts. Must be installed by a licensed electrician. Compliant with AS3000 SAA Wiring Rules.
