FLOOR BOXES — ABOVE GROUND FLOOR BOXES

AFB-20 Above Ground Floor Box Oyster Grey (Blank)

AFB20-GY

The AFB20-GY is an above-ground floor box with an Oyster Grey powder-coated cover providing 2 x Standard Series power/data/AV outlet provisions. The steel body is manufactured from Galvanised Steel with an Aluminium or Stainless Steel cover in Oyster Grey powder coat. Suitable for floor and bench mounting. Dimensions: 127 × 110 × 110mm. Not IP rated — suitable for dry, indoor environments only. Outlets not included — accepts standard series inserts. Must be installed by a licensed electrician. Compliant with AS3000 SAA Wiring Rules.
