Electraplan Floor Box, 4 x Double GPO

FOBPL4STDO

The FOBPL4STDO is a flush concrete floor outlet box from the Electraplan Series, fitted with a moulded polyamide lid and frame. It can be configured with 4 x Double GPO power outlets, or 2 x Double GPO plus up to 12 x single data outlets, to suit the fit-out. The lid includes an 8mm carpet recess for a flush, finished look, with a cord exit flap featuring dust guards and a recessed handle. Previously known as FFOB-568.
