FLOOR BOXES — IP RATED FLOOR BOXES

IP44 Aluminium Flush Lid Pop-Up Outlet Box, 2 x Power

PUALF2P

The PUALF2P is a flush-mounted pop-up floor/table outlet box featuring an IP44 rated brushed aluminium lid with 2 x single auto-switched outlets. When not in use the lid sits flush with the floor or table surface, providing a discrete and tidy appearance. The body is manufactured from powder-coated zinc annealed steel with 20mm and 25mm conduit knockouts. Suitable for any office or home environment where clean, accessible dual power is required at floor or table level. IP44 rated — suitable for wet area installations where splashwater protection is required.
