FLOOR BOXES — IP RATED FLOOR BOXES

IP44 Stainless Steel Flush Lid Pop-Up Outlet Box, 1 x Power

PUSSF1P

The PUSSF1P is a flush-mounted pop-up floor/table outlet box featuring an IP44 rated stainless steel lid with a single 10A auto-switched outlet. When not in use the lid sits flush with the floor or table surface, providing a discrete and tidy appearance. The body is manufactured from powder-coated zinc annealed steel with 20mm and 25mm conduit knockouts. Suitable for any office or home environment where clean, accessible power is required at floor or table level. IP44 rated — suitable for wet area installations where splashwater protection is required.
