

EB6 8-Provision Keystone Data Sub-Plate

14470110

The 14470110 EB6 Keystone Provision Plate from Cableaway is designed to support structured data and communication installations within Endura Series floor boxes. Capable of housing up to 8 keystone jacks, it provides a flexible and organised solution for data, voice, and AV connectivity. Engineered for seamless integration with EB6 floor box configurations, it ensures a secure fit and a clean, professional finish. Suitable for both new installations and retrofit applications, this accessory enables efficient cable management and customisation of in-floor service layouts, supporting modern workspace connectivity requirements.

TECHNICAL SPECIFICATIONS

Part Number	14470110
Series	Endura EB6 Floor Box Accessories
Type	Keystone Data Sub-Plate
Provisions	8 × Keystone Jack Positions
Connector Type	Keystone (Jack Not Included)
