

ENDURA FLOOR BOX ACCESSORIES — EB6 SERIES SUB-PLATES

EB6 6-Provision Data / Mechanical Sub-Plate with Bezel

14470141

The 14470141 EB6 Data/Mech Provision Plate with Bezel from Cableaway is designed for seamless integration of data and communication services within Endura Series floor boxes. Capable of mounting up to 6 data or mechanical outlets, it provides a flexible solution for structured cabling and AV applications. Supplied complete with bezel, it ensures a clean, professional finish while securely housing outlets. Engineered for compatibility with EB6 floor box configurations, this accessory is ideal for both new installations and retrofit projects, supporting efficient cable management and adaptable workspace connectivity.
