

Floor & Table Grommets — Complete Range

DG60 · DG80 · DCE · FG127

Cableaway's Floor & Table Grommet range provides clean, professional cable routing for desks, workstations, boardroom tables, and floor surfaces. Simply drill the required hole and snap the grommet in place — no tools required. Available in round (60mm, 80mm), rectangular desk cable entry, and large 127mm floor formats, with a wide choice of colours and finishes to suit any interior.
