

LOCKOUT TAGOUT DEVICES — SAFETY LOCKOUT SERIES

Multipurpose Cable Lockout

LOCABLELOCK

The Cableaway Multipurpose Cable Lockout provides a versatile isolation solution for circuit breakers, valves, and other energy sources that standard lockout devices can't reach. The longer insulated cable can be looped through handles, levers, and hasps across a wide variety of equipment types. Accepts multiple padlocks simultaneously, supporting multi-trade Lock Out Tag Out (LOTO) procedures. An essential tool for any site safety kit.
