

LOCKOUT TAGOUT DEVICES — SAFETY LOCKOUT SERIES

Safety Padlock — Keyed Alike

LOPADLOCKKA

The Cableaway Keyed Alike Safety Padlock is designed for supervisor-controlled LOTO programs where a single key must open multiple padlocks — ideal for maintenance supervisors managing multi-lock isolation points. Features a durable steel shackle and non-conductive high-visibility red body. When purchased as a set, all padlocks in the batch share the same key, streamlining supervisor override and isolation management on complex worksites.
