

LOCKOUT TAGOUT DEVICES — SAFETY LOCKOUT SERIES

Safety Padlock

LOPADLOCK

The Cableaway Safety Padlock is a dedicated LOTO padlock designed for use with lockout hasps, cable lockouts, and circuit breaker lockout devices. Features a durable steel shackle and non-conductive body in high-visibility red. Each padlock is individually keyed (one key per lock) to ensure personal accountability in multi-trade lockout programs. An essential component of any compliant Lock Out Tag Out safety system on electrical and industrial worksites.
