

LOCKOUT TAGOUT DEVICES — SAFETY LOCKOUT SERIES

Lockout Tag

LOTAG

Back

Front

The Cableaway Lockout Tag is a durable, high-visibility safety tag designed to accompany lockout devices as part of a compliant Lock Out Tag Out (LOTO) program. The tag clearly communicates the isolation status of equipment — who applied the lock, when, and why — preventing accidental re-energisation by uninformed personnel. Suitable for use across all electrical, mechanical, and hydraulic isolation points. Compatible with all standard LOTO padlocks and hasp devices.

TECHNICAL SPECIFICATIONS

Part Number	LOTAG
Series	Lockout Tagout — Safety Lockout Series
Type	Lockout Safety Tag
Material	Durable Plastic / Laminated Card
Colour	Red / High-Visibility
Attachment	Cable Tie / Hole for Padlock Hasp
