

DOB RECESSED POP-UP OUTLETS

DOB Recessed Pop-Up Outlet — 4 Outlet + USB-C, White

DOBS3P2U-WH

The Cableaway DOB Recessed Pop-Up Outlet is a swivel pop-up desk socket designed to sit flush with the desk or countertop surface until needed. The housing rotates up to 340° on either side, giving effortless access to all outlets, and can be installed flush-mounted or under cabinets. This configuration is fitted with 4 power outlets and 1 USB-C charging port in the white with chrome ring finish. The DOB series uses a modular, replaceable cover top system, so the finish can be swapped without replacing the whole unit.
