

MOTORISED POWER TOWERS

Motorised Power Tower — 3 x GPO + 2 x USB, Silver

MT3P2USB-SIL

The Cableaway Motorised Power Tower is a touch-activated pop-up tower designed for offices, workshops and hospitality spaces. It rises smoothly from the desk or benchtop for power and charging access, then retracts flush when not needed. This configuration is fitted with 3 x Australian standard power points and 2 x USB charging ports, finished in silver aluminium.
