

SD SERIES ALUMINIUM SKIRTING DUCT — 50 X 100MM 2-CHANNEL (PEARL WHITE)

50 x 100mm 2-Channel Aluminium Skirting Duct — Complete System (Pearl White)

SD50100-2CH-WHITE

Cableaway's SD Series skirting duct is the easiest way to house and distribute power and data cabling, from large commercial fit-outs to the small home office. It mounts directly to the wall with no building modifications required, giving a clean, flexible cable management system for now and into the future. The 50 x 100mm duct is available in 2-channel configuration, separating power from data/AV cabling along a 3.0m extruded aluminium length. It handles Cat5, Cat6 and Cat6A data cabling, and — using Cableaway's 45 Series multimedia outlets — audio/visual connections including microphone, HDMI, VGA and component video. This datasheet covers the complete 50 x 100mm system in Pearl White: duct body, both lid options, and the full accessory range needed for a finished installation.

TECHNICAL SPECIFICATIONS

System Reference	SD50100-2CH-WHITE
Duct Body Part No.	SD501002DW
Channels	2 (Power / Data separated)
Standard Length	3.0m
Body Material	Extruded Aluminium
Standard Finish	Pearl White Powder Coat
Other Finishes	Satin Black, Oyster Grey, Natural Anodised
Custom Finishes	Any Dulux / Interpon Powder Coat Colour
Mounting	Direct to Wall — Surface Mounted
Data Compatibility	Cat5E/ Cat6 / Cat6A
AV Compatibility	45 Series Multimedia Outlets (HDMI, VGA, Audio, Component)

DUCT CROSS-SECTION

Duct cross-section: H 100mm × W 50mm (2 internal channels)

KEY FEATURES

- Extruded aluminium body — strong, lightweight, corrosion resistant
- 2-Channel design keeps power and data/AV cabling safely separated
- Surface wall-mounted — no chasing or building modification required
- Choice of Drop-In or Clip-On lid to suit installation preference
- Compatible with Cat5, Cat6 and Cat6A structured cabling
- Supports 45 Series multimedia outlets for AV connectivity
- Full accessory range: joiners, earthing kits, GPO/data shrouds, end caps, corners
- Standard finishes of Black, White, Grey and Natural Anodised, plus custom powder coat
- Fast, tool-minimal installation — free measure and quote available

LID OPTIONS

PART NO.	LID TYPE	NOTES
SDDL100W	Drop-In Lid	Lid drops into the duct body from above —flush tool-free fit - 1.2mtr
SDCL100W	Clip-On Lid	Lid clips over the duct body edges —secure snap-fit closure - 1.5mtr

Compliance & Installation: Cableaway SD Series skirting duct is manufactured from extruded aluminium and finished to AS/NZS standards for surface-mounted cable management. Installation must be carried out by a licensed electrician where power circuits are involved, in accordance with AS/NZS 3000 Wiring Rules. Earth continuity accessories (Internal Butt Join Earthing Kit) must be fitted at every joint to maintain earth continuity along the duct run where metallic duct is used for power reticulation. Cableaway reserves the right to alter specifications without notice.

Custom finishes: in addition to the standard finishes shown, Cableaway can powder coat skirting duct components to any Dulux or Interpon colour on request — visit dulux.com.au or interpon.com.au for the full colour range, or call 1300 883 452.
