

SD SERIES ALUMINIUM SKIRTING DUCT — ACCESSORIES

SD Series GPO Shroud Kit

SDPSK

The SDPSK GPO Shroud Kit is the power outlet accessory for Cableaway's SD Series aluminium skirting duct. It provides a neat, enclosed mounting point for a GPO at each outlet location along the duct run, giving a clean, finished appearance that matches the rest of the SD Series system. The kit suits the 150mm and 200mm high SD Series ducts in 2-channel and 3-channel configurations, and pairs with the SDDMK Data / Voice Mount Kit where data outlets are also required. Each outlet point also requires an SD Series front cover — Clip-On (SDCFC) or Drop-In (SDDFC) — to suit the duct height and finish.

Please note: the GPO is not included and must be ordered separately.

TECHNICAL SPECIFICATIONS

Part Number	SDPSK
Product	GPO Shroud Kit
Series	SD Series Aluminium Skirting Duct
Product Type	Power outlet (GPO) accessory
GPO Included	No — GPO sold separately
Suits Duct Heights	150mm & 200mm high SD Series
Suits Configurations	2-Channel & 3-Channel

Compliance & Installation: Cableaway SD Series skirting duct is manufactured from extruded aluminium for surface-mounted cable management. Installation must be carried out by a licensed electrician where power circuits are involved, in accordance with AS/NZS 3000 Wiring Rules. Internal Butt Join Earthing Kits must be fitted at every joint to maintain earth continuity along the duct run. Cableaway reserves the right to alter specifications without notice.

Accessories: The full SD Series range of duct bodies, lids, joiners, corners, blank ends and outlet kits is available — visit cableaway.com.au or call 1300 883 452.
