SD Series Outlet Front Covers — Clip-On & Drop-In (100h, 150h, 200h)

SDCFC / SDDFC RANGE

CLIP-ON · SDCFC

DROP-IN · SDDFC

Cableaway's SD Series front covers are the outlet front plate for the SD Series aluminium skirting duct. At each outlet location the front cover is fitted with a shroud behind it — the **SDPSK GPO Shroud Kit** for power or the **SDDMK Data / Voice Mount Kit** for data — giving a neat, finished outlet point in the duct run. Two styles are available, **Clip-On (SDCFC)** and **Drop-In (SDDFC)**, in three heights to suit every SD Series duct and in the four standard SD Series finishes to match the duct body and lids. **Front cover only** — the shroud and GPO / data outlet are ordered separately.
