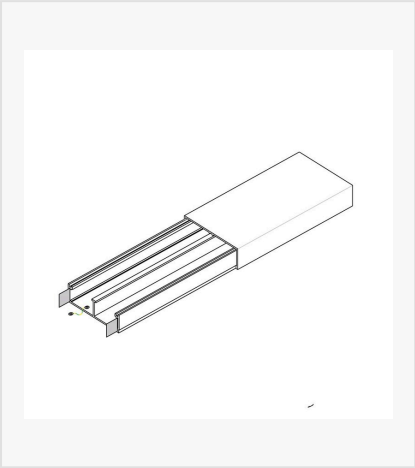
AFD35 — Above Floor Duct with Snap-Fit Aluminium Cover

AFD35



The AFD35 is a full-depth above-floor aluminium duct with a snap-fit cover for quick and easy access to cabling. With a 35mm body depth, the AFD35 provides generous cable capacity for heavier power and data cable bundles. The snap-fit cover removes without tools, making it ideal for installations that require regular access. Available in Black Ripple, Natural Anodised and Mill Finish as standard.

Available Finishes: Black Ripple, Natural Anodised, Mill Finish. Special colours available on request.
