

Better Cable Management

PP Series Pedestal Poles

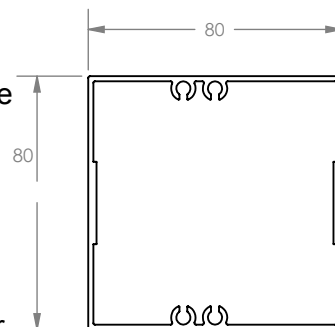

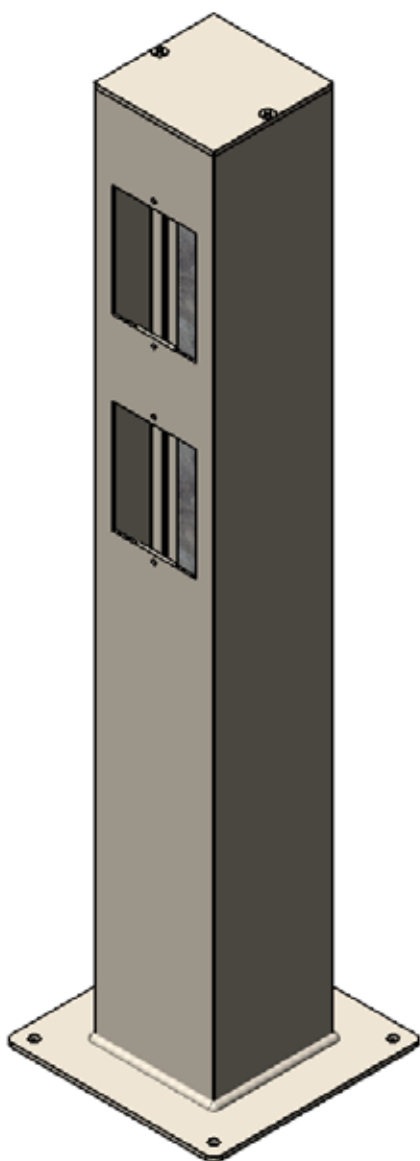

Manage Cables Better

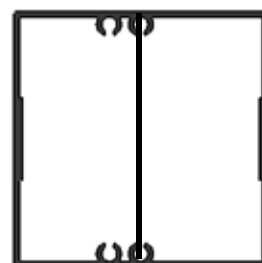

Cableaway's range of pedestal poles are a cost effective way to provide power, Data and Audio Visual outlets to above or below bench areas in office's, school's or laboratories (etc).

Cableaway's pedestals are mounted directly to any surface by using the 4 mounting holes provided. It could not be easier to mount your outlet's as all pedestal pole's come complete with mounting cut outs for standard outlets.

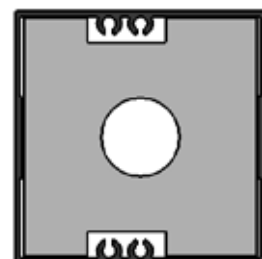

- Extruded aluminium body
- Welded aluminium base plate
- Removable top cap
- Pre-cut outlet mounting holes
- Made to any height requirement
- Powder coated finish
- Outlet mounting up to all 4 side's
